GENERAL INFORMATION

A.) ARRIVAL & PERSONAL BELONGINGS

You must report to the examination site specified on your ticket. Upon arrival, go to your designated bag storage area. For main testing, this area will open at 7:45 a.m. Remove the items you are permitted to bring into the exam room from your storage bag, store the bag, and have your admission ticket in your hand so you are ready for entry into the examination room at your assigned time. Your assigned time for entry into the exam room is on the schedule on the ticket. You must have a printed, hard copy of your admission ticket.

Candidates testing with accommodations (NTA) report to area separate from main testing. If you have NTA, carefully review your NTA letter, the schedule on your ticket, and the map and instructions included with your ticket to learn when and where to check in and to store your bags.

Applicants must leave all personal items that are not permitted into the exam room (computer bags, mobile phones, wallets/purses, etc.) in the bag storage area. Turn off your mobile phone before storing it in your bag. Please leave all valuables at home, in your car, or hotel room safe. The Board of Law Examiners is not responsible for lost/stolen or damaged personal items.

Applicants will not need to bring information to login to their Exemplify account. The password to enter the software will be provided at the exam. Similarly, your NCBE number will be printed on your ticket.

C.) ENTER EXAM ROOM

Once you enter the examination room, you must report to your assigned seat. Identify the row that includes your seat number. Your seat number is the Application Examination Number on your ticket. Look at the table labels at each seat and walk down the row to find your assigned seat.

Upon finding your seat, place your official government-issued photo ID and ticket on the table for proctors to see. If you are a CBT applicant, follow the instruction sheet on your table to launch Exemplify. Do not go beyond the screen with a red STOP sign. Remain in your seat and wait for further instructions. Please remember to remain quiet during this time so that others may hear instructions.

D.) TESTING CONDITIONS

The Board of Law Examiners will do its best to provide appropriate testing conditions. However, problems may arise, out of our control, such as issues related to heating/cooling, lighting, noise from other users of the facility or health issues of other applicants. The Board cannot guarantee a noise or distraction-free examination. Applicants are encouraged to use the earplugs provided by the Board, and should, in all cases, continue testing unless directed otherwise by the Site Supervisor. Should you have concerns about the testing conditions, convey them to a proctor and ask that it be brought to the attention of Board staff. We will attempt to resolve the situation, if possible.

E.) COMFORT AND CONSIDERATION

The temperature in the examination room will be set to accommodate most people; however, everyone is comfortable at different temperatures. Therefore, dress accordingly (layers of clothing are recommended). Bulky clothing items will be inspected by board staff, and applicants may not wear outdoor coats. In consideration of other applicants, refrain from wearing body fragrances such as perfumes, after shaves, etc. during testing. Additionally, to avoid disruption of other applicants, please walk (DO NOT RUN) quietly to/from the restrooms and when leaving the examination room.

F.) LUNCH

Applicants are encouraged to bring a packed lunch. You must store it in the designated bag storage area.
